PROS + CONS

WOOD KNOBS

Ideal for small drawers and doors, oil finish matches BFA furniture

WOOD BAR PULLS

Perfect for wider drawers and larger doors, keeps the focus on the material

METAL KNOBS

Available in many styles and finishes, easy to swap and match architectural details

METAL BAR PULLS

Options abound, extra-long handles look sleek and modern

**

Tab pulls and integrated or cutout hardware must be finalized ahead of placing an order.

TIPS

- You are welcome to choose something else on your own and send the handles to our studio! Client-provided handles are subject to BFA approval and additional costs.
- Shipped furniture will be drilled out with provided handles safely packaged separately
- Order totals are adjusted per hardware selection
- Extra handles are available by special order.
